My dear Mr.

I have the honor to transmit herewith, on behalf of the Psychological Strategy Board, the results of the Special Review of the 1954 budget for the Board requested in your letter of February 3, 1953, to heads of departments and agencies. The PSB budget was transmitted to the Director of the Budget under a letter of November 3, 1952, by

25X1A

the former Director.

I am authorized to inform you that the Board is of the opinion that the 1954 budget previously transmitted to the Director of the Budget is reasonable and conservative, and that no revision is possible at this time, particularly in view of pending investigations and decisions through which the President's psychological program is expected to take shape.

I append herewith a financial statement of the Special Review of the 1954 budget setting forth certain financial data on our current 1953 and 1954 budgets, and explanatory notes to clarify certain items in the financial statement.

Sincerely yours,

25X1A

Acting Director.

Enclosure:

"Special Review of the 1954 Budget."
